Research is often complicated, time-consuming and expensive but it provides hope for patients and their families, and leads to more effective ways of treating and preventing cancer. Please help by giving whatever you can.

£10 will help pay for a week's supply of educational leaflets to help patients understand how to take care of themselves and aid their recovery.

£100 will help buy a week's supply of essential laboratory consumables.

£300 will pay for a researcher working for two days to find new ways of fighting urological cancer.

Use Gift Aid and you can make your donation worth more. For every pound you give us, we get an extra 28 pence from the Inland Revenue.

I am a UK taxpayer and I want UCARE to reclaim the tax I have already paid on all my gift(s) from 6 April 2007 until further notice. (You must pay income tax / capital gains tax equal to the amount we reclaim on your gifts).
